Please check: ❍ Progress Update ❍ Final Report

The purpose of the research report is to document the research accomplishments resulting from the use of CILER funds. Please return the completed report by mail, email (clv@umich.edu), or fax (734-647-0768).

Send one copy of published materials as well as student theses or dissertations resulting from this project to Dr. Thomas Johengen, CILER, University of Michigan, 401 East Liberty Street, Suite 330, Ann Arbor, MI 48104-2298 (be sure to include project title with the materials).

1. Provide a brief overview of your research findings (ie, abstract).

2. List publications resulting from this project, including materials submitted but not yet published.

3. List presentations given at professional meetings and conferences, at workshops, etc., based on your research. Include the meeting title and sponsor, date, location, and the topic of the presentation.

4. Briefly describe significant interactions that have taken place with state or federal agencies, other universities, industries, businesses, or the general public during the course of the project.

5. List any special or additional funding received other than CILER funds for this project.

6. List degrees granted or in progress as a result of this project. For each student, include their name, degree, thesis title, department, university, and date of degree (or expected). For students or postdoctoral research fellows who have completed their degrees or fellowships, list their current employers if known.
