The Cooperative Institute for Limnology and Ecosystems Research (CILER), located at the University of Michigan, announces the **2017 Great Lakes Summer Fellows Program**. This program is sponsored by the National Oceanic and Atmospheric Administration’s Great Lakes Environmental Research Lab (GLERL). The Great Lakes Summer Fellows Program exposes students to a broad range of disciplines and provides an exciting opportunity for students to conduct research in the Great Lakes region under the mentorship of a CILER or GLERL scientist.

**Description:**
- 11 full-time 12-week positions.
  - 10 located at the GLERL lab, 4840 South State Road, Ann Arbor, MI 48108.
  - 1 located at University of Illinois at Urbana-Champaign (UIUC) Midwest Regional Climate Center (MRCC)
- Early May or early June start date

**Eligibility:**
- Currently enrolled undergraduate (juniors and seniors preferred) & graduate students
- Post-bac or post-masters students
  - Graduated within the past 12 months
- U.S. citizen or a foreign national residing in the U.S. on a current Student Visa
- Immediate relatives of any CILER or NOAA-GLERL employees are not eligible

$6,500 stipend for the 12-week period.

**Projects include:**
- Ecosystem Modeling
- Invasive species, Fisheries & Food web dynamics
- Great Lakes Ice – Climate
- Hydrodynamic Modeling
  - and more!
